

ADMINISTRATOR'S REPORT
11-2-09 through 11-15-09

Waste Water Treatment Plant

- Normal maintenance continues at the plant.
- No problems to report since last meeting.

Water System and Water Plant

- The dehumidifier drum will arrive from the factory the week of November 9th along with some additional parts required for reassembly.
- All other aspects at the plant are working well.
- The detention tank was cleaned of rust deposits. There was about 3' of rust deposits in this tank.
- The aerator was also pressure washed and cleaned.
- The new rear door to the water plant was installed.

Other issues and complaints

- None at this time

Sanitary Sewer Collection System

- We have been cleaning trouble spots in town as usual.
- The ARRA project for rehabilitation of sewer lines in the Village should be issued by December 2009. Poggemeyer should be ready to make a recommendation by the first of December.

Street and Storm Sewer

- Street lights are being reported to Ohio Edison as they are found or reported to the office.
- The ARRA storm water project should begin construction by December 2009.
- Home Road overlay project is complete except for the center line striping.
- The front of the street office has been repaired and the new floor has been poured. The building is secure and work inside will continue as time permits.

Recreation / Pool

- Nothing new to report at this time
- We will be working on a plan to replace the north wall of the pool in the spring of 2010.

Office

- Nothing to report at this time

TEP Grant (Public Square revitalization)

- Work on the square will begin on December 1, 2009. Work will be non evasive and the contractor is aware of the Christmas Festival on December 12th.

Development

- Nothing new to report at this time.

Web Site (www.mountgilead.net)

- **(Follow Up)** Please continue to either send information to me for the site or e mail information to Dave, to be placed on the web site.
- **(Follow Up)** All of the year end reports are now on line for the public. I would like Council's feed back if any from the public.

Please be sure to e mail me a copy of your minutes of the committee meetings. These meeting minutes are an important part of our history and documentation for records. I would prefer that they be sent to me in an e mail so they can be converted to a PDF file for storage.

Please feel free to e mail Dave Goosens at dgoosens@wrgs.com , with any calendar items.
